CHARACTERS & STORY

YUTO URAUSHIYAMA

嵐山 佑人

A classmate of Kitarou and Kitaru. Friendly, but a bit of a goofball, Yuto can unlock people's emotions by seeing their inner selves. He's also an ESPer who's aware that Kitarou and Kitaru have mysterious powers of their own.

Kitarou's childhood friend (and frequent) rival of Kitaru, Yuto made him an enemy together but still keeps helping in the country. When Kitarou is in a hard spot, Yuto is always there to help him. He's a good friend and a good person. He's also a bit of a goofball. Kitarou would rather say that he's a little high school experience. But with psychic powers, he's a good person, and a little bit of a high school experience. He's a good person, and a little bit of a high school experience.

TATSUKI DOHIFUJI

大平 竜樹

Kitarou's cousin. Kitarou unknowingly gave him powers during their childhood years, since Kitaru knew his cousin's ability, he's been their family member Kitarou.

KOTARU DOHIFUJI

大平 虎太郎

A high school freshman with an "I hate my girls life" complex. He's a special track student but he doesn't realize it. Currently looking for a girlfriend.

Kotarou is totally stoked that the basketball season has started and he can now fulfill his high school hoop dreams. While polishing his technique for his man-to-man defense, things look even brighter when he meets Mio, a babe-alicious upperclassman who has an eye for Kotarou. Unfortunately, another new girl also arrives on the scene: Chiba, a femme fatale with an eye for protecting Mio. With trouble stirring all around, Tatsuki and Yuuto must use their ESP to make sure there is no foul play!!
